BORDER SECURITY REPORT

BORDER TECHNOLOGY VIDEO LIBRARY

Your company videos represent a significant investment in time and resources, and yet, not many people see them or even know they exist. And those that do view them, usually know who you are anyway! Maximise your investment in your video resources by allowing us to promote it for you.

Include your company or product video in our exclusive Border Technology Video Library and reach our global border security community. Your video will be included on the BORDER SECURITY REPORT web site, the closed WORLD BORDER SECURITY NETWORK and promoted via our magazine, monthly eNewsletter and social media channels.

Cost £1,495 €1,795 \$1,940 - it will remain on the site for a full 12 months

The screenshot shows the 'Video Tech Library' section of the Border Security Report website. The navigation bar includes links for WEBINARS, FEATURES, VIDEOS, EVENTS, ADVERTISE, LOOKING BACK, and CONTACT. The main heading is 'BORDER SECURITY REPORT Video Tech Library'. Below this, there's a 'Videos' section with a 'Click to view' prompt. The first video thumbnail, 'Anduril Sizzle Reel 2020 - Sentry no audio', is highlighted with a red border. Other visible thumbnails include 'Parsons & Border Security: Technology Integrator & Infrastructure Constructor' and 'MSAB Ecosystem of Mobile Forensics'. To the right, there are event listings for 'critical infrastructure PROTECTION AND RESILIENCE AMERICAS' and 'World Border Security Congress', along with a 'Download Latest Issue' button and a preview of the 'BORDER SECURITY REPORT' magazine cover.

PRODUCT FOCUS VIDEO

A Product Focus Interview is an incredibly powerful and attractive way of reaching new customers and generating new leads. Like a podcast, it allows you to reach a global audience without your potential customer having to leave comfort of this or her office or home.

With you, we will produce and host a scripted interview about your product and share it via our web sites and social media channels, including YouTube, LinkedIn and Twitter.

The Product Focus Interview will remain hosted on the website for twelve months.

Cost £1,495 €1,795 \$1,940 - it will remain on the site for a full 12 months

The screenshot shows a video player for a 'PRODUCT FOCUS' interview. The player features a large play button in the center. Above the player, the text 'PRODUCT FOCUS' is displayed. To the right, the 'BORDER SECURITY REPORT' logo is visible. Below the player, the text '3DX-RAY' is shown. The video thumbnail shows two men in a professional setting.

Get your products and services read and noticed by senior officials in government and non-government agencies, consultants and associates through Border Security Report.

WEBINARS & PODCASTS

WEBINARS

Webinars provide a powerful, interactive audio-visual opportunity to reach your international audience who may not be in a position to hold a meeting or attend an event.

Hosted by our Editor-in-Chief, Tony Kingham. Interview style with Tony as moderator and 1-4 speakers supplied by the sponsor. Topic is driven by sponsor. Program should be 30-45 minutes in length. Audio with power point. Power point provided by Sponsor.

The sponsor of the webinar and their speakers will be featured in all of the promotional efforts:

What we provide:

- Software platform.
- Email Blast – Several DEDICATED EMAIL blasts to 30,000 contacts. Typically 2 prior and one post live event.
- Website – Home page banner on our web sites with click through to the webinar.
- Push Notices – to our LinkedIn Groups.
- Banners in our monthly e-newsletter. Typically 2 prior and one post live event.
- Advert specifically for your webinar in Border Security Report or World Security Report.
- Host the webinar video for 2 months.
- Details of those who registered to watch the video after the webinar.
- Registered viewers will be given the opportunity for sponsor follow up; in line with GDPR regulations.
- Details of those who registered and watched the video after the webinar; in line with GDPR regulations.

Cost £3,750 €4,390 \$4,680 - for the live webinar which will also remain on the site for a full 12 months

TECHNOLOGY WEBINARS

Technology focussed webinars, hosted by our Editor-in-Chief, Tony Kingham, offering up to 4 technology companies/organisations (minimum 3) the opportunity to showcase their latest innovations, in a 10-12 minute case study style.

With Tony as moderator and 3-4 speakers will deliver an informative presentation on the latest solution, with great opportunity for audience interaction.

The webinar would last max 60 minutes in length for maximising audience engagement. Audio with power point. Power point provided by Sponsor.

Cost £500 €595 \$625

The webinar will remain on the site for a full 12 months

WEBINARS (EDITORIAL DRIVEN)

Webinars provide a powerful, interactive audio-visual opportunity to reach your international audience who may not be in a position to hold a meeting or attend an event. Hosted by our Editor-in-Chief, Tony Kingham, these discussion style webinars include 2-3 speakers from relevant government agencies and 1 subject matter speaker supplied by the sponsor (the sponsor speaker not to promote their solution).

The full webinar lasts approx. 1 hour, and the sponsors' presentation should be 10 minutes in length, in line with each speaker. Presentations will be followed by Q&A. Audio with power point. Power point provided by Sponsor. The sponsor of the webinar and their speaker will be featured in the promotional efforts.

What we provide:

- Software platform.
- Email Blasts – The webinar will be promoted with Several dedicated email blasts to over 30,000 contacts. One post live event email will also promote the publishing of the webinar recording.
- Website – A webinar banner on our web sites with click through to the webinar details.
- Push Notices – to our LinkedIn Groups and App subscribers.
- Banners in our monthly e-newsletter. Typically 2 prior and one post live event.
- Advert specifically for your webinar in Border Security Report or World Security Report.
- Host the webinar video for 12 months.
- Typically our webinars attract 200+ delegates with 70% - 80% Government Agencies with remaining being commercial organisations and academia/research establishments.

What will be needed from Sponsor is speaker, usually one telephone conversation with Tony to work through the details, and 1 speaker profile.

Speak to your representative for the editorial topics for the forthcoming webinars.

Cost £1,995 €2,340 \$2,490 - for the live webinar which will also remain on the site for a full 12 months

IN PARTNERSHIP WITH

BORDER SECURITY REPORT

WORLD BORDER SECURITY CONGRESS

The World Border Security Congress is a high level event that discusses and debates current and future policies, implementation issues and challenges, as well as new and developing technologies, that contribute towards safe and secure border and migration management.

The Congress is THE premier multi-jurisdictional transnational platform where the border protection, management and security industry policy-makers and practitioners convene annually to discuss the international challenges faced in protecting borders.

The World Border Security Congress gives you a great opportunity to meet key decision makers and influencers, offering a limited number of opportunities exist to commercial organisations to be involved with the conference and the opportunity to meet and gain maximum exposure to a key and influential audience.
